3	Bear	Shonnie	12A
4	Bergonia	Arnel	9B
5	Burnside Jr.	Darrell	1A
6	Carrillo	Miguel	11B
7	Chiasson	Dylan	6A
8	Crittenden	Cyrus	15B
9	Dominguez	Luis	10A
10	Esqueda	Briana	1B
11	Gallegos	Guadalupe	14B
12	Garza	Michael	5B
13	Gill	Jasmine	16A
14	Gomez Duran	Karina	12B
15	Hammed	Yousef	2A
16	Hofer	Pamella	8B
17	Islas Montes	Juan	4A
18	Maldonado	Ivan	13A
19	McDonald	Curtis	9A
20	Mendoza	Idalis	11A
21	Mora	Megan	2B
22	Rivera	Victor	10B
23	Taves	Jameson	4B
24	Vargas	Suzie	15A
25	Villarreal	Daniel	13B

**A = in favor of the proposition    B = opposed to the proposition**

1. The State of California should provide access to free education for associate degree students.
2. The State of California should overturn the funding for the high speed rail.
3. The US federal government should mandate a minimum wage nationwide that is comparable to a livable wage.
4. The US federal government should substantially reduce its restrictions on legal immigration.
5. The US federal government should address and condemn the gender wage gap in the US.
6. The department of education in conjunction with state governments should encourage and fund online education courses at a higher rate as an incentive to increase degree completion.
7. The US federal government should acknowledge and offer statehood to all of their commonwealth territories in order for those entities to receive the benefits provided to current states such as disaster relief funds or protection.
8. Colleges and Universities should pay their student athletes.
9. The Environmental Protection Agency should demand higher restrictions on the use of and disposal of plastic products.
10. The Federal and State Government should require all federal or state buildings conform to greener standards and include solar panels to generate energy.
11. The State of California should fund strategies to reduce issues brought about by drought.
12. The American Medical Association should allow a form of physician assisted suicide in all hospitals.
13. College Campuses should limit free speech if there is the potential that it could lead to violence.
14. The federal government should make drastic changes to the current prison system with a stronger focus on reform.
15. The federal government should build a wall on the southern border to reduce illegal immigration.
16. The federal government should insist and implement stronger regulations to protect consumer privacy.
